

Post Show Report

Exhibition Name: Jewel of Saudi-

3rdEdition

Date: 15th to 17th December, 2025

Venue: Jeddah Exhibition Centre, Jeddah, Saudi Arabia.

Saudi Arabia's gems and jewelry industry holds significant potential for growth and innovation. To foster fruitful discussions between business leaders in this sector, delving into emerging trends and opportunities can be a strategic and engaging subject. This subject can encompass various relevant aspects that can drive the industry forward and open up new avenues for collaboration and success.

By focusing on emerging trends and opportunities in the gems and jewelry industry, business discussions can lead to valuable insights, partnerships, and strategies that can help businesses in Saudi Arabia stay competitive, innovate, and thrive in a rapidly evolving market. This subject can inspire creativity, strategic thinking, and proactive decision-making among industry professionals, ultimately contributing to the growth and success of the gems and jewelry sector in the region.

Exhibitor Overview of JOS 2025:

Exhibitor feedback: Exhibitors from China, Saudi Arabia, and Turkey expressing satisfaction with the business prospects. They praised the event for its exceptional organization, impactful networking, and the high quality of connections made. The expo provided unparalleled exposure and fostered meaningful opportunities for new collaborations and business leads, setting a benchmark for future events in the region."

Training Seminars during jos 2025

The JMTS Program at Jewel of Saudi 2025 successfully established a **foundation for technical education and industry engagement**. Despite language barriers and first-time execution challenges, the initiative achieved strong attendance, meaningful discussions, and positive market feedback. The program demonstrated strong potential for future JMTS editions in the region with enhanced localization, stronger follow-ups, and continued engagement. The JMTS Program in Saudi Arabia was conceptualized and executed in alignment with the Jewel of Saudi (JOS) Exhibition. There was a seminar addressing the most important topic, affecting the gold industry across the globe.

On 14th Dec 2025, the topic of discussion was **“Challenges in Manufacturing with Increasing Gold Prices”**

over 75 participants from various companies attended the program. The program overview was shared by Al-Kindi Bateerfi, Vice President, National Committee for Precious Metals & Gemstones. An esteemed panel of speakers: Himanshu Dhakan - Chief Sales Officer, Harshad Group, Mahmoud Alhayek – JTE, Ghazi Bin Talib - Owner, Ghazi Bin Talib Riyadh, Salim Abdullah Ammari — Owner, Dewan, Mohamad Taiseer - Engineering Lead, Lasoman, Talal Alnuoman - Owner, Leen Manufacturing. The Delegates imparted their knowledge with the attendees.

Thank you note

Dear Exhibitors and Visitors,

On behalf of the entire team at **KNC Services AND Eventify** we would like to extend our deepest gratitude for making the **Jewel of Saudi (JOS) 2025** an overwhelming success!

To our **Exhibitors**: Thank you for showcasing your exquisite craftsmanship and innovation. Your presence transformed the floor into a world-class marketplace, proving once again why this industry is so resilient and vibrant.

To our **Visitors**: Thank you for your enthusiastic participation, your insightful engagement during our panel discussions, and for being the driving force behind the trade and networking that took place over the past few days.

It was truly inspiring to see the industry come together in Jeddah to address challenges, celebrate artistry, and build lasting partnerships.

Save the Date for 2026!

The journey doesn't end here. We are thrilled to announce that the **Jewel of Saudi Expo** will return even bigger and better next year.

 **Next Show Dates:** 18th – 20th October 2026

 **Location:** Jeddah, KSA
